## Weekly Parent Email

W/E 10th March 2017

Dear Parents / Carers,

Once again we have enjoyed a fantastic week of learning, events and fun activities.

**Oliver!** What an amazing treat we had at The Gateway in Yeovil last night when 250 children from local schools performed Oliver! It was a wonderful theatrical experience with a full stage and set, lighting and wonderful children who sang and danced through the story. Once again the All Saints children brought tears to the eyes when they took over the stage for the song 'Who will buy?' Their stage presence and choral singing were superb. A special mention to our soloists Cali, Sophia, Yahya, Kyle & Shane who gave strong and emotive performances to the packed audience.

The children and staff all worked extremely hard during the day and the children were focused and well behaved. The personal development goals go beyond just singing and I am grateful for the children having opportunities to learn important messages such as hard work can create a spectacular end product. These experiences give children lifelong memories and enable them to meet and socialise with other local children, all of whom they will meet again at The Gryphon School. Thank you to our parents who value these opportunities we provide and for your support with the brilliant costumes - the children looked amazing.

**North Dorset Netball** Mrs Regan was very excited to take our star netballers, winners of the local area tournament, to the next stage of the competition this week. This time the team were up against all the schools in North Dorset. Needless to say the play was faultless and the team raced through to the final. They were runners up in the final however still qualify for the county tournament to be held in Bournemouth! We are all immensely proud of our wonderful team. A huge well done to you all!

**Baby news!** As we know Mrs Regan is approaching a very exciting event for her family. We hope that she is able to get some well deserved rest before the big event and therefore her last working day with us will be Thursday 15<sup>th</sup> March. We know that Mrs Regan will be checking in on us during her maternity leave but we wish her the very best of luck with the impending event. To support the class Mrs Beecham will be working extra hours and Mrs Crumpler will also be working in Sapphires Class.

We can also share with you the happy news that Miss Lorna Amor is also expecting a new addition to her family! She hopes to continue to be in school for the remainder of this school year.

Further on the subject of new babies, All Saints sends a big welcome to baby Millie, a gorgeous baby sister for Jessica and Oliver and lovely news.

Many thanks for your continued support.

Kind regards,

All Saints
