

All Saints Primary School

Weekly Parent Email

Dear Parents / Carers,

Happy New Year & Welcome back!

We have enjoyed a fabulous start to the Spring Term. It has been so fantastic to see all the children again and hear about their incredible Christmas festivities. Thank you for the good wishes and gifts for school staff that we received at the end of term. We truly hope you all enjoyed some warm and wonderful family time over the Christmas Period.

Ofsted: We hope that you have now had chance to read the outcomes of our Ofsted inspection which was emailed to you yesterday. However, due to the fact that it is quite a lengthy document, we have sent a hard copy home with the children tonight.

Zoolab: We are delighted to have secured a visit from Zoolab this coming Monday 8th January. Zoolab are a well-known company who work in Primary schools to deliver a fun, highly curriculum-driven, educational experience across all subjects. They will explain the concepts of science in ways that children can readily see and touch. Their ZooLab rangers help the children get up, close and personal with real animals and all the children will get the chance to see, touch and handle animals, and to understand more about their habitats and behaviours. We request £1 voluntary contribution towards this experience. Please refer to the attached letter for further details.

Just a couple of extra reminders....

CLUBS: Breakfast and Afterschool club started on Wednesday 3rd January. Booking forms are available on the school website and from the school office. All clubs cost £3.00 and the Afterschool Club activities include:

- Monday: Dance Club with Miss Scott
- Tuesday: Tag Rugby with Premier Sports
- Wednesday: Book Club with Ms Barnes
- Thursday: Football Club with Mr Rich and Board Games Club with Mrs Parsons
- Friday: Nerf Games Club with Premier Sports

MUSIC: Dorset School of Music Tuition: As part of our annual agreement with DSM Ruby class will be learning to play Samba Music every Wednesday for the next 10 weeks. The instruments for this tuition arrived today which will remain in school for the learning period.

Piano: We are looking for a new home for our much loved but very old school piano. The PTA, via funds raised by our parents, have bought us a wonderful new digital piano, which is far more suitable for our needs. Please contact the school office if you are interested in a piano at home.

Please remember, if you have any questions or queries regarding these or any other school items do not hesitate to come to talk with us as we will be delighted to be of assistance.

Many thanks & kind regards,

All Saints
