

# All Saints Primary School

## Weekly Parent Email

---

Dear Parents / Carers,

Wow, this week has flown by! Once again it has been packed full of learning and activities including:

**Year 5 & 6 Football Match:** The match on Wednesday was against Buckland Newton School, which All Saints won 5:3. The team played really well and their excellent teamwork skills were commented on by the other school. Thank you for making us so proud!

**Sapphire Class Trip to the Fleet Air Arm Museum:** Today our Sapphire children visited the fabulous Fleet Air Arm museum in Yeovilton in support of their Autumn Term Project – WWII. The children were able to investigate the first battle ever to take place entirely in the air and why it was such a significant turning point in the course of WW2. They took part in a Home front workshop, where they explored how it must have felt with the threat of bombing from the air and luckily our wardens Oscar and Aurora ensured we were all safe during the air raid. In the words of Myles “That was the best trip ever!” Museum staff commented on the outstanding behaviour of our pupils and their extensive knowledge and thirst for learning. The trip has hopefully provided lots of inspiration for their topic and English next week.

### Gentle Reminders....

**Christmas Fayre Friday 24<sup>th</sup> November:** Last week we sent out a flyer requesting help and donations with this important fund raising event. We rely on everyone to ensure that this a real success but as yet we have received donations from one family.

**Chartwells Christmas Hot School Meal:** Every year Chartwells provide a hot Christmas meal for the children to enjoy. This year the meal is taking place on Friday 8<sup>th</sup> December. All KS1 children are entitled to free hot school meals and KS2 children can purchase one for £2.20. We like to encourage all children and staff to take advantage of this special meal, so if you do not normally order hot school meals for your child, please consider ordering just for this day. Information about the on-line booking process can be found on our school website.

**Children in Need:** Please look out for our Children in Need letter which has been sent home in the book bags today. We will be supporting this very worthy national campaign on Friday 17<sup>th</sup> November.

**Ruby Class Trip to Bovington Tank Museum:** This trip is taking place on Thursday 16<sup>th</sup> November. Please ensure that consent slips and payment are in school by Monday 13<sup>th</sup> November. Thank you.

**Home Learning:** Thank you for the amazing home learning projects that have been completed. Any that are still outstanding, please bring in on Monday.

Please enjoy the weekend

Many thanks & kind regards,

All Saints
