

# All Saints Primary School

## Weekly Parent Email

---

Dear Parents / Carers,

We have had a brilliant start to the new half term and are now on the countdown to the festive season; the Christmas tree has been ordered and we will shortly be publishing all the details of our Christmas events so please watch this space. Here are some of the highlights from this week:

**Staff News:** Welcome to our lovely new Topaz teacher - Jenny Withers who started this week. She has enjoyed a great week with the children and she is looking forward to meeting all her parents at the Topaz Parents' Evenings, which are taking place on Tuesday 28th, & Wednesday 29th November. The online booking system for these appointments is now open – please refer to the booking information, which was sent to you before the half term holidays.

**Breakfast & Afterschool Clubs:** The extended care clubs started this week and we are pleased to report that we have received lots of bookings especially for afterschool. New clubs for this half term include Dodgeball with Premier Sports on Tuesday, Science Club with Miss Withers on Wednesday, Craft Club with Mrs Beecham on Thursday and Gymnastics with Premier Sports on a Friday. Booking forms and further information can be found on the school website.

**Parents' Evening:** Many thanks for a very positive parents' evening. We aim to see 100% of our parents so if you were unable to make either of the dates, please make contact with your child's class teacher to make an alternative appointment.

### Gentle Reminders....

**Parking:** We have been contacted by the Parish Council who have received complaints from several residents about the parking along Giles Lane, just after the junction from Hill View. Please can we ask all parents who park there to be mindful of their parking and ensure that all road facing wing mirrors are folded flat. Thank you for your cooperation.

**Trips:** Sapphire Class Trip to the Fleet Air Arm Museum is taking place on Friday 10th November. Please ensure that consent slips and payment have been sent into school by Monday 6th November – Thank you.

**Dates:** We have had to change the date of our Ruby Class Parent Celebration Assembly – The new date is 29th November. Apologies for any inconvenience caused. We have also organised two non-school uniform dates for our Christmas Hamper appeal - Friday 24th November and Friday 8th November. Please refer to the attached letter for detailed information about this initiative.

**KS1 Home learning:** Please could any outstanding 'Hero' home learning be brought into school by Monday 6th November.

Enjoy the weekend

Many thanks & kind regards,

All Saints
