Dear Parents / Carers

You are all welcome to a short **Harvest Blessing at 9.10am** in the school hall when the children will share with you their learning about the Harvest and these two charities.

We will then take the children on a 'welly walk' to raise awareness in our children of the struggles farmers in some African countries have to feed their families, send their children to school and escape the cycle of poverty. We will walk to Holwell Church where Vicar Richard will lead a short thanksgiving service and provide a drink for the children before returning to school.

If you would like to join us for this and help supervise the children then please let us know as soon as possible, you will be most welcome!

We would also be grateful to receive food donations outlined above and/or a donation to Farm Africa in support of our charities on. Please bring to school on Thursday morning.

Please sign and return the slip below allowing your child to take part in this whole school event. The children will need to bring their wellies to school and have a waterproof coat for the walk.
