

# All Saints Primary School

## Weekly Parent Email

---

W/E 19<sup>th</sup> June 2020

Dear Parents / Carers,

I hope this week's newsletter finds you and your family fit and healthy.

For those of us lucky enough to be in school, it continues to a vibrant and inspirational environment with happy, settled and focused children. As ever, our staff are working tirelessly to support all of our pupils. Our bubbles in school are now full and we have no capacity to increase them unless restrictions are relaxed.

We have been working at solutions for our pupils who haven't had the opportunity to come into school so far to spend some time at All Saints over the final few weeks of term. I am pleased to say that (providing guidance doesn't change) we will be offering an after school session for these pupils, with other pupils from their year group who are in a similar situation, during the week commencing 26<sup>th</sup> June 2020. I am hoping to be able to offer increased opportunities for these pupils to be in school as we nudge towards the summer break. I will be sending out details of this to the relevant families early next week.

We continue to work behind the scenes to improve the school environment and our refuse and recycling collection services have been inundated by our clear out. The new Diamond Class fence has started to be built, however, rain has temporarily stopped play.

Throughout this period, parental support to the school has been outstanding. May I take this opportunity to once again say thank you from all the staff and governors. You have been so understanding and patient with all the decisions we have had to make and so positive about the school.

Be safe,

Nigel Roberts  
Headteacher
