Weekly Parent Email

W/E 29th June 2018

Dear Parents / Carers,

We all have enjoyed a very sunny week at All Saints. The swimming pool has never been so sought after and it has been just fabulous watching the children have fun in the water whilst progressing through their swimming skills.

Oliver!

Rehearsals are well underway for our school production of Oliver and hearing the songs certainly helps us through the day and gives us a spring in our step! The energy and enthusiasm in our children (and Miss Scott) are delightful to see and this really promises to be a production to remember! The singing and dancing are already phenomenal and I urge all our parents and carers to come see it - even if your child is not old enough to be a part of the show you are most welcome to come along and see how our children shine... and the quality they achieve. These experiences give children lifelong memories and I am very grateful to Miss Scott who is working so hard in order that the children have this opportunity. There are a few forms not returned asking for parents' commitment to enable their children to take part in the two shows on the evenings of 18th and 19th July. Regrettably, without this assurance by Monday 2nd July we are unable to include your child in the show.

Letters home this week include:

- What's on this week w/c 2nd July 2018
- Summer Fair Bidding Wall Options
- Summer Fair Bidding Wall Instructions
