

All Saints Primary School

Weekly Parent Email

W/E 29th May 2020

Dear Parents / Carers,

I hope you have managed to get some quality family time over half term and that you have had an opportunity to enjoy this wonderful weather.

School has remained open over half term for the families of key workers who have been unable to arrange alternative childcare. In school, like you, we have enjoyed a week without focusing on our maths and English learning. In addition, staff have been busy preparing the learning areas for the safe return of additional groups of pupils.

Class teachers will be back to setting daily work on Google Classroom next week. From Monday, the Reception, Year 1 and Year 6 pupils whose parents have opted for them to return to school will be completing the same work as their peers at home. As I have previously stated, staff will still monitor their Google Classroom, however, it may take slightly longer to respond and mark.

We are very much looking forward to seeing more pupils back in school, however, sadly (for pupils, parents and staff) things will be different than we have been used to. Like ever though, I am sure we will adapt and come out smiling.

Please be aware that if demand increases above current confirmed pupil numbers, due to the working practise dictated to us by the Department of Education, we will need to reduce time in school for pupil groups and introduce a part-time provision.

I would like to take this opportunity to thank you all for your support throughout the past 10 weeks or so. The overwhelmingly positive comments, phone calls and emails we have received from our parents and community coupled with the dedication the staff have shown towards the school, has been such an inspiration to me. Thank you all.

Finally, please remember we are here for you. If you need and help, advice or support, please do give us a call.

Nigel Roberts
Headteacher
