Dear Parents/Carers,

With this letter you will find two copies of our revised Home School Agreement. This document has been revised following discussions with our governors to arrive at what we think best reflects the school's values and aspirations for your child(ren) at the present time.

We feel that you play a vital role in supporting the school with its values as well as with the education of your child. The parent/school relationship is a vital one in every way.

Please read the whole Agreement and if you agree with what it says, sign both copies. Please also read the child's part of the Agreement with your child and explain what it means. If you feel that your child understands what is expected of them, ask them to sign the Agreement. One copy is yours to keep. Please return the other copy to the school for our records. Thank you.

I sincerely hope that you will all understand the value of the Agreement in clarifying the roles of the school; the parents and the children and I hope this will provide a stronger bond between us. If you have any concerns, suggestions or grievances relating to the Agreement or to the school please do come and see me. We firmly believe that we are stronger in partnership.

With many thanks for your support and co-operation,

Anne Crumpler
