WALK TO SCHOOL WEEK 18TH – 22ND MAY

As the past few years of Walk to School Week have been a success and everyone has enjoyed it, we have decided to do it again. This year we have a pirate theme. We would like all students to participate as we are an eco-friendly school.

Where are we starting?

We are starting in Bristol. Next we are heading to Bournemouth and afterwards Poole. Finally we are going to try to get to the southwest coast path to Penzance. The reason we chose these places was because they all have links with pirates. All distances from every child will be added together to see which child walked the furthest and how far the whole school walked.

How parents/carers can help

During walk to school week we ask that there are **no cars in the morning**. If you would like you could park your car at the football club and walk across the field to school. From 8:45 a member of staff will be there to see your child across the road. Each morning if you walk across the field you will earn 300m credit. At 3:30 please collect your children as usual.

If you and your child walks from home then the year 6s, using their IT skills, will work out how far each child has walked. Also if your child comes to school on the bus, we will be arranging walks around the field at lunchtime breaks and all children will be able to join in.

Please note that we **will not include evening journeys and walking around the field before school starts**. We will only include walking to school in the mornings and when you walk around the field at **lunchtime break**.

A trophy will be awarded to the child who walks the furthest during the week and there will be small prizes awarded to children who make a special effort, either walking to school or at lunchtime.

Thank you for your support

Yours sincerely

Ella (year 6)
