

All Saints Primary School

Weekly Parent Email

Dear All,

The term is well underway, with week three completed already! There has been lots of evidence of exciting learning underway and children happily settled into classes and routines. It has been great to see Forest School activities taking place in Diamond Class this week, which were very much enjoyed by the children.

We are pleased to confirm that we have secured another excellent drum tutor from Dorset School of Music – Mr Keane - to continue the great work started by Mr Whitmarsh. These lessons will start on Thursday and the four children who started to learn the drums last year will continue their tuition this term. If you are interested in organising private lessons for your children with either Guitar, Violin, Piano or Drums, please contact the school office for further details.

Next week we look forward to firstly welcoming James and Freddie in Year 2 and secondly to our first sports fixtures, a year 5 / 6 football match that is taking place on Wednesday at home against Buckland Newton Primary School. Miss Scott has also launched two new KS2 lunchtime clubs: Football on Tuesday and Netball on a Friday – all children in Ruby and Sapphire Classes are welcome to attend.
