

# THANK YOU FROM RUBIES!

*We had a fabulous day on our Roman Day and managed to complete lots of activities **thanks to your** kind donations of sheets, bottles etc.*

*To start our new topic off with a 'bang', we are going to create the link between Romans and Africa by making our own rights respecting mosaic for our pond area.*

**Calling all families** – if you have anything that would help us, please send it in, as it would be much appreciated:

*Mosaic tiles (may be you have a few tiles left over from decorating?!)*

*Coloured tiles*

*Coloured gems or pebbles*

*We will be creating our mosaic on Friday 27<sup>th</sup> February 2015 in school.*

*Finally, if you know of anyone who could share anything with Rubies about Africa, or indeed have any artefacts or items that we could borrow – we would love to hear from you! We already have an African snail visiting us for a few days 😊*
