

SaturdayLIVE@5

Dear all

Please find attached a flyer about a completely new kind of church that we are launching in the Benefice!

It's called **SaturdayLIVE@5**. It begins on **Saturday 9th March at 5.00pm**. It would be good if you could come and bring your friends

It's a completely new kind of church:-

- To start with it is on a Saturday evening and not Sunday;
- It's not in church, but in Bishops Caundle School;
- It's designed for toddlers up to those people who are around 105!
- It begins with Saturday tea which is always fairly substantial i.e. jacket spuds with a variety of filling, cake and dinks.
- Then we have a short time of worship; time for reflection and questions;
- We have crafts and activities;
- And a time for anyone to keep up with the sports results as we shall have streaming sport via laptop;
- We finish at about 6.30pm.

Two big asks please.

Firstly, please **DO COME** and bring your friends!!

Secondly, would you please display the attached poster or give it to a friend.
