

*All Saints Primary School is a place where
SPIRITUALITY IS NURTURED*

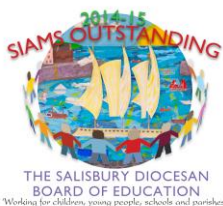

All Saints is a Voluntary Controlled church school with an ethos of Christian beliefs and values. We learn within the context of Christian belief and practice in partnership with the Church. We encourage an understanding of the meaning and significance of faith and promote Christian values through our learning experiences.

The School enjoys good links with the Anglican Church in Bishops Caundle. We hold school services in the church at Christmas and Easter and at other churches in the Benefice. It is hoped to expand the use of the church in the teaching of the school, with sessions on Baptism, Weddings and exploring the church being held. The Team Vicar, Revd Richard Kirlew (Vicar Richard) and the Licensed Lay Minister, Mr Keith Budgell take collective worship in the school on a regular basis.

A strong Christian-based ethos makes a significant contribution to positive values and attitudes to teaching and learning. All Saints identifies the values of tolerance, respect, doing your best, and caring for one another and the environment as implicitly Christian and reviews these values annually. Pupils are valued and feel special at this school: they receive a high standard of care, guidance and support from a dedicated team of teachers and support staff. These values and attitudes are implicit in the school's mission statement and permeate all aspects of school life. This, in conjunction with good quality religious education and a broad and varied curriculum produces a learning environment where pupils make excellent personal progress.

“The distinctiveness and effectiveness of All Saints Primary School as a Church of England school are outstanding.” SIAMS 2014
